OUR MISSION IS MORE IMPORTANT THAN EVER

Vulnerable children and families are facing increased anxiety, stress, fear, and worry. The young people we serve are likely to bear the heaviest burdens of trauma and economic fallout.

We are innovating and adapting our service delivery to ensure kids stay connected to their mentors.

We are on the frontlines delivering food and helping connect the families we serve to other available resources in the community.

A VITAL RESOURCE. PROVEN OUTCOMES.

Manitowoc County.
